

S&T INTERNATIONAL COOPERATION NETWORK FOR EASTERN EUROPEAN AND CENTRAL ASIAN COUNTRIES

The European Union Seventh Framework Programme for Research and Technological Development

The “People” Programme

The following information about available research **Marie Curie vacancies** within *Economics, Arts and Language Sciences* is presented below. All these vacancies are open to all interested researchers from third countries.

Early-stage researchers are defined as those who are in the first four years (full-time equivalent) of their research careers.

Experienced researchers must either be in possession of a doctoral degree, irrespective of the time taken to acquire it, or have at least four years of full-time equivalent research experience, including the period of early stage research defined above.

Economics

[ETN Zurich - TIM](#) (FP7/People - Marie Curie Actions) invites *early-stage researchers* for PhD programme in Lean Development. Application deadline is **15 of April 2010**. Applications should be sent by [email](#). The length of individual appointment is 4 years. For further information, please visit [EURAXESS web-page](#).

[ETN Zurich - TIM](#) (FP7/People - Marie Curie Actions) invites *experienced researchers* in Lean Development. Application deadline is **31 of May 2010**. Applications should be sent by [email](#). Required years of previous research experience is 10 years. For further information, please visit [EURAXESS web-page](#).
