

S&T INTERNATIONAL COOPERATION NETWORK FOR EASTERN EUROPEAN AND CENTRAL ASIAN COUNTRIES

The European Union Seventh Framework Programme for Research and Technological Development

The “People” Programme

The following information about available research **Marie Curie vacancies** within **Biology** is presented below. All these vacancies are open to all interested researchers from third countries.

Early-stage researchers are defined as those who are in the first four years (full-time equivalent) of their research careers.

Experienced researchers must either be in possession of a doctoral degree, irrespective of the time taken to acquire it, or have at least four years of full-time equivalent research experience, including the period of early stage research defined above

Biological Sciences

Xigen SA (FP7/People - Marie Curie Actions) invites experienced researchers in Bioinformatics & Protein / Peptides Modellization. Xigen AS is Swiss biopharmaceutical company formed as a spin-off from the University Hospital of Lausanne (Lausanne, Switzerland). Application deadline is **15 of April 2009**. Applications should be sent by [email](#). For further information, please visit [EURAXESS web-page](#).

CropDesign NV (FP7/People - Marie Curie Actions) invites early-stage researchers in Plant Hormones. CropDesign NV is one of the worldwide leading, innovative biotech companies, focusing on the improvement of crops, cereals in particular (Gent, Belgium). Applications should be sent by [email](#). Application deadline is **1 of September 2009**. The length of individual appointment is 24 months. For further information, please visit [EURAXESS web-page](#).

Bijvoet Center for Biomolecular Research (FP7/People - Marie Curie Actions) invites early-stage researchers for PhD programme in Solid-state Nuclear Magnetic Resonance. Application deadline is **31 of August 2009**. Applications should be sent by [email](#) to Prof. Dr. M. Baldus at Bijvoet Center for Biomolecular Research of Utrecht University, Utrecht, Netherlands. The length of individual appointment is 4 years. For further information, please visit [EURAXESS web-page](#).

[Chimie & Biologie des Membranes et des Nanobjets](#) (FP7/People - Marie Curie Actions) invites *early-stage researchers* for PhD programme in Protein Crystallography. Application deadline is **15 of June 2009**. Applications should be sent by [email](#) to Chimie & Biologie des Membranes et des Nanobjets of Université Bordeaux I, Talence, France. The length of individual appointment will be limited to 3 years. For further information, please visit [EURAXESS web-page](#).

[Technion](#) (FP7/People - Marie Curie Actions) invites *experienced researchers* in Systems Biology. Application deadline is **1 of June 2009**. Applications should be sent by [email](#) to the Technion – Israel Institute of Technology, Haifa, Israel. The length of individual appointment will be limited to 4 years. For further information, please visit [EURAXESS web-page](#).

[Jagiellonian University](#) (FP6/Marie Curie) invites *experienced researchers* in Molecular Biology. Application deadline is **24 of April 2009**. Applications should be sent by [email](#) to the Prof. Hanna Rokita at the Jagiellonian University, Krakow, Poland. The length of individual appointment will be limited to 13 months. For further information, please visit [EURAXESS web-page](#).

[EVONET](#) (FP7/People - Marie Curie Actions “Initial Training Network”) at the [Department of Cellular and Developmental Biology of Stazione Zoologica Anton Dohrn](#) (Napoli, Italia) invites *early-stage researchers* for PhD programme in Gene Regulatory Networks. Application deadline is **30 of April 2009**. Applications should be sent via project’s [web-site](#). The length of individual appointment will be limited to 3 years. For further information, please visit [EURAXESS web-page](#).

Information about all available vacancies in all research fields can be found at the Section “[Jobs](#)” of the EURAXESS web page.

Newsletter is prepared with the use of web-site EURAXESS within the project «S&T International Cooperation Network for Eastern European and Central Asian Countries» IncoNet EECA (www.inco-eeca.net) financed by European Union.
