

## **S&T INTERNATIONAL COOPERATION NETWORK FOR EASTERN EUROPEAN AND CENTRAL ASIAN COUNTRIES**

### **The European Union Seventh Framework Programme for Research and Technological Development**

#### **The “People” Programme**

The following information about available research **Marie Curie vacancies** within *Environmental and Biological Sciences* is presented below. All these vacancies are open to all interested researchers from third countries.

*Early-stage researchers* are defined as those who are in the first four years (full-time equivalent) of their research careers.

*Experienced researchers* must either be in possession of a doctoral degree, irrespective of the time taken to acquire it, or have at least four years of full-time equivalent research experience, including the period of early stage research defined above.

#### **Environmental Sciences**

[AquaTRAIN](#) (FP6/ Marie Curie “Research Training Network”) invites *early-stage researchers* for positions in “Biogeochemical modelling of geogenic chemicals”, “Remediation & controls on geogenic chemical mobility in ground waters” and “Soil/plant transfer of geogenic chemicals”. These positions are tenable at the University of Manchester or one of the following [AquaTRAIN](#) Partners: University of Aberdeen (UK), Université Joseph Fourier (France), VITO (Belgium), CEU (Budapest). Application deadline is **22 of April 2010**. Applications should be sent by [email 1](#) and [email 2](#). The length of individual appointment is 6 months. Details of the vacancies are available [here](#). For further information, please visit [EURAXESS web-page](#).

[Institute of Aquatic Ecology](#) of University of Girona (Spain) in the framework of *FP6/ Marie Curie Actions* invites *early-stage researchers* for PhD programme in Ecology. Application deadline is **30 of April 2010**. Applications should be sent by [email](#). The length of individual appointment is 3 months. The previous research laboratory experience is required. For further information, please visit [EURAXESS web-page](#).

[Centre for Fish and Wildlife Health](#) of University of Bern (Switzerland) in the framework of *FP6/ Marie Curie Actions* invites *early-stage researchers* for positions in Environmental Sciences. Application deadline is **30 of May 2010**. Applications should be sent by [email](#). The length of individual appointment is 3 months. The knowledge of molecular biological methods is required. For further information, please visit [EURAXESS web-page](#).

## Biological Sciences

[WatchFrog](#) (Evry, France) in the framework of *FP7/People - Marie Curie Actions* invites *experienced researchers* for Post Doc position in Biological Sciences. Application deadline is **1 of June 2010**. Applications should be sent by [email](#). Competence in vivo models as well as an excellent background in molecular biology and gene regulation aspects are required. For further information, please visit [EURAXESS web-page](#).

[Department of Biosystems Science and Engineering](#) of Swiss Federal Institute of Technology Zurich (Basel, Switzerland) in the framework of *FP7/People - Marie Curie Actions* invites *experienced researchers* in Biological Sciences. Application deadline is **1 of May 2010**. Applications should be sent by [email](#). For further information, please visit [EURAXESS web-page](#).

[SMART](#) (*FP7/People - Marie Curie Actions "Initial Training Network"*) at the [Department of Pathobiochemistry](#) of University of Muenster (Muenster, Germany) invites *early-stage researchers* for PhD project in Biological Sciences. Application deadline is **1 of May 2010**. Applications should be sent by [email](#). The length of individual appointment is 36 months. For further information, please visit [EURAXESS web-page](#).
