

S&T INTERNATIONAL COOPERATION NETWORK FOR EASTERN EUROPEAN AND CENTRAL ASIAN COUNTRIES

The European Union Seventh Framework Programme for Research and Technological Development The “People” Programme

The following information about available research **Marie Curie vacancies** within *Environmental Science* is presented below. All these vacancies are open to all interested researchers from third countries.

Early-stage researchers are defined as those who are in the first four years (full-time equivalent) of their research careers.

Experienced researchers must either be in possession of a doctoral degree, irrespective of the time taken to acquire it, or have at least four years of full-time equivalent research experience, including the period of early stage research defined above

Environmental Science

[CRYSTAL2PLATE](#) (FP7/People - Marie Curie Actions “Initial Training Network”) at the [Laboratory of Experimental Tectonics](#) of the University “Roma TRE” (Rome, Italy) invites *early-stage researchers* for PhD programme in Initiation of Subduction. Application deadline is **15 of May 2009**. Applications should be sent via project’s [web-site](#). The length of individual appointment is 3 years. For further information, please visit [EURAXESS web-page](#).

[CRYSTAL2PLATE](#) (FP7/People - Marie Curie Actions “Initial Training Network”) at the [Instituto Andaluz de Ciencias de la Tierra](#) of the University of Granada (Granada, Spain) invites *early-stage researchers* for PhD programme in Erosion of the Continental Lithosphere. Application deadline is **15 of May 2009**. Applications should be sent via project’s [web-site](#). The length of individual appointment is 3 years. For further information, please visit [EURAXESS web-page](#).

[CRYSTAL2PLATE](#) (FP7/People - Marie Curie Actions “Initial Training Network”) at the [Department of Earth Sciences](#) of the University of Utrecht (Utrecht, Netherlands) invites *experienced researchers* in Heterogeneity and Anisotropy in Subduction Zones. Application deadline is **15 of May 2009**. Applications should be sent via project’s [web-site](#). The length of individual appointment is 2 years. For further information, please visit [EURAXESS web-page](#).

[CRYSTAL2PLATE](#) (FP7/People - Marie Curie Actions “Initial Training Network”) at the [Institute of Geophysics](#) of the Swiss Federal Institute of Technology (Zurich, Switzerland) invites *early-stage researchers* in Lithosphere Structure and Subduction Evolution. Application deadline is **15 of May 2009**. Applications should be sent via project’s [web-site](#). The length of individual appointment is 3 years. For further information, please visit [EURAXESS web-page](#).

[Technion](#) (FP7/People - Marie Curie Actions) invites *experienced researchers* in Air Pollution. Application deadline is **30 of June 2009**. Applications should be sent by [email](#) to the [Environmental Exposure and Risk Assessment Laboratory](#) of the Technion – Israel Institute of Technology, Haifa, Israel. For further information, please visit [EURAXESS web-page](#).

[C2C](#) (FP6/ Marie Curie “Research Training Network”) at the [Institute of Mineralogy and Condensed Matter Physics](#) of the University Pierre et Marie Curie (Paris, France) invites *experienced researchers* in Earth Science and Solid State Physics. Application deadline is **15 of May 2009**. Applications should be sent by [email](#). The length of individual appointment will be limited to 1 year. For further information, please visit [EURAXESS web-page](#).

“[Atomic to Global](#)” (FP6/Marie Curie Fellowships for “Early Stage Training of Researchers”) at the [Bavarian Research Institute of Experimental Geochemistry and Geophysics](#) of the University of Bayreuth (Bayreuth, Germany) invites *early-stage researchers* in Physics and Chemistry of Earth Materials. Application deadline is **31 of May 2009**. Applications should be sent via project’s [web-site](#). The length of individual appointment is from 2 to 12 months. For further information, please visit [EURAXESS web-page](#).

Information about all available vacancies in all research fields can be found at the Section “[Jobs](#)” of the EURAXESS web page.

Newsletter is prepared with the use of web-site EURAXESS within the project «S&T International Cooperation Network for Eastern European and Central Asian Countries» IncoNet EECA (www.inco-eeca.net) financed by European Union.
