# Project of the Month

The screenshot shows a web browser window displaying the IncoNet website. The main content area is titled "Project of the Month-February" and features a large map of Europe and Kazakhstan. The text describes the "Project LinkAGE" - Scientific Links between Kazakhstan and Germany, highlighting the match-making efforts by innowise GmbH and the German research institutions. A sidebar on the right contains contact information for Markus Schroll / Anna Stark and Irina Vesselova / Aleksander Tsov. The bottom of the page includes a search bar and a list of navigation links.
